

Help me
improve care
for older patients.

This Giving Day, I am fundraising to support crucial patient projects at Caboolture Hospital.

I'm aiming to help raise \$ _____ to fund projects to keep older patients out of hospital, and get them home sooner.

With your support, we can keep our older community living happier, healthier and fuller lives for longer.

Can you help us reach our goal by November 30?

Got to tcggivingday.org.au
