CATERING MENU

Caboolture Hospital

Catering for The Common Good is part of our social enterprise business, supporting research, hospital innovation and patient care initiatives at Caboolture Hospital.

The Common Good is an initiative of The Prince Charles Hospital Foundation and exists to help people live healthier for longer.

We are proud to support research, hospital innovation and patient care initiatives at both Caboolture Hospital and The Prince Charles Hospital.

At Caboolture Hospital, The Common Good has supported over \$100,000 in research grants, a refreshed paediatrics ward (including a kids retreat) and identified hospital equipment and items of need.

Our social enterprise café and catering business is one way that we are able to support the Caboolture Hospital community. When you order catering with us, you're contributing to this support, so thank you!

OUR FOOD PHILOSOPHY

We encourage a farm to plate philosophy which supports Queensland growers. Our menus are curated daily with an emphasis on quality produce, and all food is freshly prepared onsite by your team here at The Café for The Common Good.

We look forward to serving you nutritious food made from the heart, and the best Merlo coffee each and every day.

Follow us on our social channels to see how your support is making a difference.
