

# CATERING MENU

The Prince Charles Hospital

Catering for The Common Good is part of our social enterprise business, supporting research, hospital innovation and patient care initiatives at The Prince Charles Hospital.

The Common Good is an initiative of The Prince Charles Hospital Foundation and exists to help people live healthier for longer.

We are proud to support research, hospital innovation and patient care initiatives at both The Prince Charles Hospital and Caboolture Hospital.

At The Prince Charles Hospital we have supported a robotic-arm machine that assists with joint replacement surgery, mental health wellness room upgrades, an outdoor village and sensory garden in the specialist dementia care unit, and over 630 research grants since 2010.

Our social enterprise café and catering business is one way that we are able to support The Prince Charles Hospital community. When you order catering with us, you're contributing to this support, so thank you!

#### **OUR FOOD PHILOSOPHY**

We encourage a farm to plate philosophy which supports Queensland growers. Our menus are curated daily with an emphasis on quality produce, and all food is freshly prepared onsite by your team here at The Café for The Common Good.

We look forward to serving you nutritious food made from the heart, and the best Merlo coffee each and every day.

Follow us on our social channels to see how your support is making a difference.
